I, \_\_\_\_\_, do hereby accept this honor of being on the UPA Regional Director Selection Panel. I will award bids to outstanding cheer and/or dance-drill teams in my territory of \_\_\_\_\_ (state) or other areas around the country/providence as I travel. I will notify UPA IMMEDIATELY of bids being awarded. I will set high standards for my selection but will also keep in mind the time frame available prior to any UPA event. If, in my opinion, I feel a team is not ready at this time but will be well prepared by the event date, I will award a bid now based on that assumption. All teams will be selected based on talent and future talent. I will not be bribed or coerced into awarding bids to teams of any sort. I will be compensated \$100 per new squad (a squad that has not attended a UPA event the previous year) to any UPA event.
