

NOTARIZED NOTE

- Do not mail this to UPA – bring to the airport with you.
- All persons (performers & guests) under the age of 18 must have a notarized note signed by both legal guardians in order to travel out of the country if the guardians are not sailing.
- Remit the notarized note to the ticket agent at the time of check-in.
- The ticketing agent has the authority to revoke any minor’s traveling privileges without providing signatures from both legal guardians.
- Reasoning? To insure that legal guardians are aware that the child (a minor) is leaving the country.
